

El Redentor Presbyterian Church

México City
Prayer Requests
August 2011

Dear Brothers and Sisters

Please take a minute to read and pray for us.

1. Please, praise God for his faithfulness in this first year of ministry in México City. Two weeks ago we had a special worship service where we consecrated the first tithes and offerings for the new church. It was a wonderful time of singing, praying and communion.

2. Please pray for the “Pilot” services we will be holding in preparation for going public as a church. The goal is to meet the last Sunday of August, September, October, November and December to create spiritual momentum and if the people are ready we will start weekly services in January 2012. The first service of this kind will take place on **Sunday August 28th** at Hotel Xi in the Condesa-Roma area. We plan to have lunch together with all our guests, and after that we will have the worship service. Please pray that mature believers, new believers and non believers will find this gathering inspiring and will want to come back again.

3. Please pray for the new converts that are attending our small groups, and for the people interested in spirituality. That we can lead them to a new and deeper faith in the gospel.

4. Pray for our worship leader. We have found a man who has good testimony and who is very capable with music. His name is David Silva and he seems to understand our vision for ministry. Please pray that our relationship can grow strong and that he will be a good match for our community.

5. Please pray for our family. That God will keep us walking close to Him and to one another.

6. Please pray for the first Theological Conference that we will have in October. Rev. Burk Parsons, who is the national editor of Table Talk Magazine from Ligonier Ministries, will give a lecture on “The Meaning of Love in Postmodern Times.” Please pray that this will be a great opportunity to keep networking in the community.

Service on August 7th
First Tithes and Offerings

7. One of our goals in ministry is to partner with new church plants in the México City area. The first weekend in October we will be helping Pastor Leonel Pacheco with a medical team in Chalco where he is starting a new church. Please, pray that we will be able to develop this kind of relationship with other men who also have the vision to plant churches.
8. We still looking for a beautiful, spacious and non expensive place to meet. We need a BIG miracle and we know God has a place like this in the heart of Condesa-Roma. Please pray that we can find this great facility in the next weeks.

As always, we thank you for your love and support for this ministry.
