

**The Families**

**The Maximo Rosales Family**

Dionisio (37) and Livia (36) both work at the swap meet. They live with their five children-Denise (14), Janet (13), Marybit (8), Veronica (5), and Josef (3) in a house with a dirt floor. The walls and the roof are made of pieces of wood. It has no electricity or running water.

**Bercarca de Leon**

Roque (36) works as a taxi driver and lives with his family-Luciana (29), Roque (9), Ana (2), and Carlos (1) in a house with a dirt floor, walls made of pieces of wood, and a roof made of plastic tarps. There is no electricity or running water in their home.

**Moreno Corral**

Briceyada (30) works as a sales assistant. She and her children Arvey (14), Ivan (12), Briceyda (10), and Jose (6) live in a little house with a dirt floor & walls and roofing made of old garage doors, it has no windows, electricity, or running water. Jose is disabled.

**The Palomino Serda Family**

Rosa (37) cleans houses. She has three children: Oscar (15), Alan (13), and Fernanda (5). They live in a house with walls made of wood pallets, wrapped with felt paper. The floors are made of dirt, the roof is made of pieces of wood. Their home has no windows, no electricity, and no running water.

**The Mission**

Our goal is to demonstrate the love of God by constructing homes for four families. In addition to the construction projects, the Tijuana team will also visit local orphanages and a drug rehabilitation center.
